#### KinderReady Program

This program accepts students potty-trained through kindergarten-aged. Although largely play/exploratory-based, fundamental academics are included in the curriculum as well. Rotating themes offer fun and engaging learning opportunities for the students. Students have activities in art, music, STEM, literacy, numeracy, as well as social, physical and emotional development. Families can select one, two or three mornings per week.

#### Newcastle Discovery Club 2018 - 2019

A safe, creative and fun environment for your elementary school-aged child during the school years. Our committed staff fulfills all licensing requirements. Kindergartners and 1-Ks are safely escorted to and from their classrooms by staff. Healthy snacks are served daily. Homework help, arts and crafts, sports, cooking, community service projects, and personal enrichment are just some of the great activities awaiting your child.
