APPLICANT INFORMATION FOR YOUTH ASSISTANCE FUND

Who Qualifies?

Any child who meets the age requirements of the specific program, who would not otherwise be able to pay for the program, or for whom payment would result in the family applying money which should be used for other pressing needs is eligible. The family income must be under a certain amount. This amount changes depending on the number of people in the family. These eligibility amounts are patterned after the formula established by the State Department of Education for subsidized programs as reflected in the table below:

Family Eligibility for Subsidized Programs

Family Size	1 or 2	3	4	5	6	7	8	9	10
Family Income Limit	4,596	5,198	6,018	6,981	7,944	8,125	8,305	8,486	8,667

(monthly gross) *revised 9/29/2023*

The parent or legal guardian of a candidate must complete the attached Youth Assistance Fund application **and submit proof of income**. Once the application is received, it is reviewed for eligibility requirements. Applicants will be notified of their qualification status prior to registration deadlines. Full or partial assistance may be approved.

The funds are secured through the generosity of local businesses, community groups, and individuals. There may not be enough funds to provide for all the families who meet the eligibility requirements.

At all times, the dignity and privacy of applicants and their families will be respected throughout the process.
